Immense export business was done. Eighty-five loads, in addition to sixty loads finally reported resterday, were closed to-day. Sales are of hard winter and red winter. Including flour, it is highly probable that the sales the last three days have easily averaged 1,000,000 bushels per day. There are some black rust reports in from the Northwest, but they have had little effect, as the crop is thought to be well along. Local cash sales, 250,000 bushels.

Con ruled bleiger, many of vestioning sellers bus.

Corn ruled higher, many of yesierday's sellers buy-ing back. Rains were reported to-day in Kansas and showers officially predicted for most of the corn country for to-morrow. Shipping demand good on domestic account, many points coming here, because of inability to reach other points by wire. Local cash sales, 250,000 bushels. No seaboard sales re-ported.

Oats ranged considerably higher, on further reports Oats ranged considerably higher, on turner reports of light-weight oats thrashing out and on predictions of showers, which may curtail the movement to market. Larger local longs were best buyers. Offerings light. Shipping demand to-day light. Sales, Open. High. Low. Close.

Fire Losses.

"I was really surprised at the immediate adjustment made of the loss we sustained at the fire. I had supposed there were certain technical formalities to go through with before receiving relief. It is certainly the part of wisdom to do business with the right company. I am thankful for my discrimination and grateful for the company's promptness." Let us protect your house and furniture,
